

CERTIFICATE

This is to certify that Major Faiz Siddiqui of Army Service Corps, India, has undergone 10 days of extensive training to become a polo coach with International Polo Academy in Jaipur from 31st September to 12th October 2013.

During the training, Major Faiz Siddiqui was trained by our coaching team and worked directly alongside them. By the end of the course Faiz was able to deliver classes of his own. We will be looking to provide further training to him and other Indian coaches in the future.

It must be added that Faiz conducted himself with upmost professionalism and his conduct was outstanding throughout in a very challenging situation given the high number of attendees.

I have the pleasure to mention at the end of the course we adjudged him to be a player with the skills to become an outstanding coach for polo and we will welcome him onto our coaching team in future. We wish him all the best for all his future endeavours and we will continue to help him develop his skills from here.
